

FINANCE AND COMMERCE.

MONETARY MATTERS IN NEW YORK
AND SAN FRANCISCO.

NEW YORK MONEY MARKET.

New York, February 9, 1880.
The imports of specie for the past week amounted to \$221,579, of which \$218,251 was gold, and the remainder was silver.

Money was easy at 5½ per cent, and closed at 5½.

Exchange was steady at 42½-43¢ for long and 41½-42¢ for short sight, and 5½ per cent higher, new four making the greatest advance.

State bonds still and nominal.

Baird bonds were active and strong. Erie bonds were up 10 points, while others were taken in round amounts up to 9½ for control seconds, and to 8½ for funded fives. Iron Mountain firsts, previously quoted from 75¢ to 76¢, advanced to 76½ to 78¢.

C. & L. and Mobile & Ohio firsts debentures declined from 7½ to 7¾, C. & L. C. secondaries declined from 7½ to 7¾, and Mobile & Ohio secondaries from 7½ to 7¾.

The stock market was generally higher early in the day, the advancing being more than 1 per cent, the latter in Kansas Southern. During the afternoon the market was weak, and prices declined by ½ to 2½ per cent., the Coal shorts, C. & L., Kansas, and Mobile & Ohio stocks showing the downward movement. The break in the Coal shares was based on reports that the companies had reduced their rates.

Transmissions aggregated 23,000 shares, including Canada Southern 9,000, C. & L. 5,000, Delaware, Lackawanna & Western 24,000, Iron Mountain 12,000, and C. & L. 12,000. Eastern 6,000, Lake Shore 1,000, Nashville Chatanooga & St. Louis 12,000, New Jersey Central 7,000, Pacific Mail 5,000, Wabash & Pacific 12,000, and Erie 9,000.

The closing quotations were as follows:

GOVERNMENT BONDS.
1853's coupons..... 102½ New 4's..... 166
